- **WAYS AND MEANS:** The Promoters is looking for 2-3 people to sign up for our Ways & Means committee. The Ways & Means is a group that approves different fundraisers to present to Promoters. This committee has fallen to the wayside these last few years because we have not changed our fundraisers. With all the changes this year and the cancellation of our Stop & Shop, this would be a good time to reestablish this committee. If you are interested, please contact Dana Van Putten (616)250-4240 or [dvanputten@att.net](mailto:dvanputten@att.net).
- **VISION AND HEARING:** The screening is scheduled for this Friday at 12:30 p.m. The goal of the vision program is to promote eye health of children and the general population through prevention, identification, treatment and health education. The goal of the hearing program is to prevent childhood hearing loss. The technicians refer children who do not pass the tests to physicians or optometrists.
